ROCHEDALE SOUTH STATE SCHOOL

JUNIOR SOCCER DEVELOPMENT PROGRAM

At Rochedale South State School students have the opportunity to participate in a Junior Soccer Development Program. The program is run during play breaks by Mr. Stilianos and is open to Year 2s in Term 2, Year 3s in Term 3, and to Year 4s in Term 4. The focus is fun, participation and a development of skills. Through game-based sessions, students develop an understanding of the game, rules and positions, readying our students for Interschool Sport Competition in Years 5 and 6 in our RSSS Soccer Teams. Students who show excellent skills, effort and participation in the Junior Development Program have the chance to be identified and selected a year earlier as Year 4s in our Junior School Soccer Team.

Rochedale South State School is equipped with excellent facilities and space for nurturing Soccer skills and game play with three junior sized Soccer fields on our school campus for student use during play breaks and for training. A field on our top oval caters for our Year 3s and 4s, while two junior sized fields with goals and nets facilitate our Year 5 and 6 students on our bottom oval.

Rochedale South Soccer Teams compete in the Southside District Primary Interschool Sport Competition in Semester 1 and field 4 teams, a Junior A, Senior A, Junior B and Senior B Teams. Home games are played on our school's bottom oval on Fridays and away games played at other Southside District Schools.

Since the beginning of our Junior Soccer Development Program in 2015, RSSS Soccer Teams have won six District Premierships and made three Metropolitan East Regional Soccer Grand Finals.
