### Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Purchase of teacher aide time to support Literacy and Numeracy learning in Prep to Year 2 classrooms
- Additional teacher specialist expertise supported learning from Prep to Year 3 to assist teachers with data gathering and explicit teaching in Literacy and Numeracy
- Parent information sessions were held to provide expert instruction for parents on the best ways to support their children's learning at home.
- Additional Speech Language Pathology time was purchased to assist teachers to refine instructional techniques for early learners in Literacy.
