

RSSS Prep Enrolment Process

Here's a simple guide to help your family prepare for Prep at Rochedale South State School for 2027.

Step 1: Connect with RSSS

- **Check your school catchment:** Visit [School Catchment Map](#) to confirm RSSS is your local school.
 - **Enrolment pack:** Collect and submit your enrolment pack from our website or visit the school.
 - **Book a Tour:** email our Parent Community Liaison Office: pclo@rochedalesouthss.eq.edu.au
-

Step 2: Book Your Enrolment Interview

- **Book an interview:** Schedule a meeting with one of our leadership team. **Book your time online via a link emailed to you via the office.**
 - **Meet with us:** Attend your scheduled interview with your child. This is a chance for us to get to know your family and discuss any support your child may need.
 - **Confirm enrolment:** Your child's enrolment will be finalised during this meeting.
-

Step 3: Prep Transition Program

- **Orientation session:**
 - Details: **Wednesday 14 October 9:15 am – 11:00 am**
Parents/guardians must attend. Children will participate in a learning session in a Prep classroom.
- **'Stay and Play' program:** Small group sessions for children and parents to support Prep readiness in weeks: **4, 6, 8 of Term 4 9:30 – 10:30 am**
- **Tailored Transition Meeting:**
 - If needed, the Deputy Principal or Head of Inclusion will work with you to create a personalised plan for your child. If you think this is necessary, please discuss it during your interview.
- **Transition Statement:**
 - We recommend giving permission for your child's Early Learning Centre or Kindy to share their Transition Statement with us. This helps us better understand your child's needs.
